MEMORANDUM FOR: See Distribution

SUBJECT : Retention of Materials that May Be
Related to the S. Res. 21 Investigation

1. On 30 January all components down to the Division level were provided instructions not to destroy or otherwise dispose of any records or documents that may have a bearing on the investigation being conducted by the Senate Select Committee.

2. In the event that there may be some misunderstanding, these instructions are being forwarded to you again with the added admonition that these instructions apply not just to original documentation but to copies and duplicates as well.

3. These instructions are to be brought to the attention of all personnel in your component.
